MEMORANDUM

Attn: Civ.

TO:

Joseph A. Dell and David Berlin
United States Attorney's Office
Dallas, Texas

FROM:

James E. Miller

I hope that while you are in Dallas you check Oswald's room at 1026 N. Peckley to determine whether or not he was ever rented and, if they were, whether Oswald had any conversations with either Mrs. Johnson or Mrs. Roberts. I have been reading a Japanese novel, "Oswald, the Impenetrable Assassin" by a French author who apparently visited Oswald's room and noted quite a point of the card for curtains in that particular room.
